

August 2022

Dear Friend,

On Thursday, October 27, 2022 Duane Dean Behavioral Health Center will celebrate a major milestone, our 50th Anniversary. The event will take place at the Kankakee Country Club where we will highlight our 50 years of impact, and honor individuals who have been critical to our work. We will be honored if you and your organization join Duane Dean as a sponsor of the event. Sponsorship opportunities are attached.

We invite you to be part of Duane Dean's historic event to positively impact the lives of future generations. Through the support of our funders and sponsors, our programs reach over 5,000 individuals annually and your contribution will allow Duane Dean to expand our reach and increase our impact.

Founded by M. Duane Dean, a local pharmacist alarmed by the growing number of individuals becoming addicted to heroin, Duane Dean Behavioral Health Center -- a 501C-3 not-for-profit organization -- has been providing treatment, addiction intervention and prevention services to adults who reside in Kankakee and Iroquois counties throughout east-central Illinois.

If you would like to discuss sponsorship opportunities please contact us or contact Raul Tinoco at rtinoco@duanedeanbhc.com or (779) 236-1177

Thank you for your support in our mission to provide comprehensive services through integrated programs, including prevention and educational resources for substance use/abuse and the disease of addiction for individuals and their families located in Kankakee and Iroquois counties in east-central Illinois and the surrounding vicinity.

Sincerely,

George Ryan Jr.
